The 70/70A runs from Central Square to downtown Waltham by heading straight down Western Avenue to Arsenal Street to Main Street. Get off at the intersection of Linden Street and Main and walk north on route 60 until you reach out office. It's about 1 mile.

You might be able to cut the walk a bit by grabbing the 554 bus from Waltham Center to Waverly, and getting off at the intersection of Beaver Street and Waverly Oaks Road. That's less than 1/4 mile from the office.
